TIGERS IN SERVICE

HONORING STUDENTS WHO MAKE A DIFFERENCE BY VOLUNTEERING

The goal of our **Tigers in Service Program** is that Stony Point High School takes its place as a contributing member of the community. The program will help the community to receive the assistance it needs, and the community will get to know our students as they become part of it by sharing their talent and energy.

Students who complete **80 hours of service (an average of 20 hours per year of enrollment)** throughout high school will receive a cord to wear at graduation.

After volunteering the student must fully complete the Tigers in Service Verification form including sponsor signature and contact information and submit the form to the box for your grade in the SPHS main office. **Parents, Guardians and family members may not sign your forms.**

***Students are responsible for keeping** a copy or photo of each verification form turned in, for use on college, scholarship and employment applications. Students are responsible for checking their volunteer hours in Tigers in Service by seeing the TIS updates posted after every marking period on the bulletin board outside the SPHS library.

Tigers in Service Clinics will be held once a semester in the cafeteria during all lunches. Your class representative will be available to answer questions at the event.

Questions or comment can be directed to Sphstigerinservice@gmail.com

Tigers in Service Verification Forms can be obtained from the SPHS main office or printed from the SPHS PTSA link on the Stony Point website.

Volunteer service must be performed for a non-profit organization. Fundraising activities and services performed during class time **DO NOT** qualify for Tigers in Service.

Per District policy **no more than 8 hours per day** can be counted and **service performed during school hours does not count.**

FORMS MUST BE TURNED IN BY THE END OF THE YEAR - NO FORMS FROM PREVIOUS YEARS WILL BE ACCEPTED.

***Hours worked over the summer must be turned in by the end of the first six weeks.**

****Seniors must turn in all hours by April 1st to be considered for the graduation cord.**

*****FORMS NOT SUBMITTED BY THESE DEADLINES WILL NOT BE ACCEPTED.**

******FORMS THAT ARE NOT COMPLETE OR THAT CAN NOT BE VERIFIED WILL NOT BE RETURNED.**
